

To become a Castagra Certified Applicator, you must attend & pass Castagra's basic training and complete a successful first project, which will then offer you the following:

- Ability to offer Premier Material warranties
- Castagra job leads in your area
- [Access to our Castagra Certified Applicator Toolkit](#)
- Marketing support
- Official Certified Applicator certification
- Castagra decals

A Castagra Licensed Company (CLC) must have attended & passed training and have demonstrated that they represent the best of the best of roofing and coatings contractors. Licensed, insured, and well trained, these are the companies that building owners can trust to deliver the highest quality results. Along with all the benefits of being a Castagra Certified Applicator, CLCs:

- Are recommended into the program after a minimum of 5 successful projects
- Complete Castagra's Licensed Company Application process
- Are able to offer all levels of warranties (Including NDL's)
- Employ some of the top Castagra Certified Applicators (*Must employ min. 1 Castagra Certified Applicator*)
- Are proven partners that clients can trust
