

Steps To Access On-Demand Castagra Certified Applicator - Basic Training

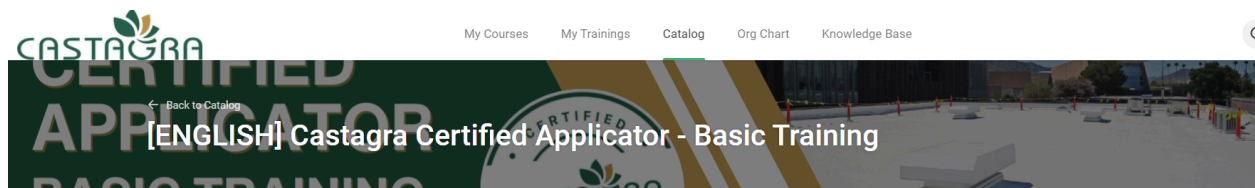

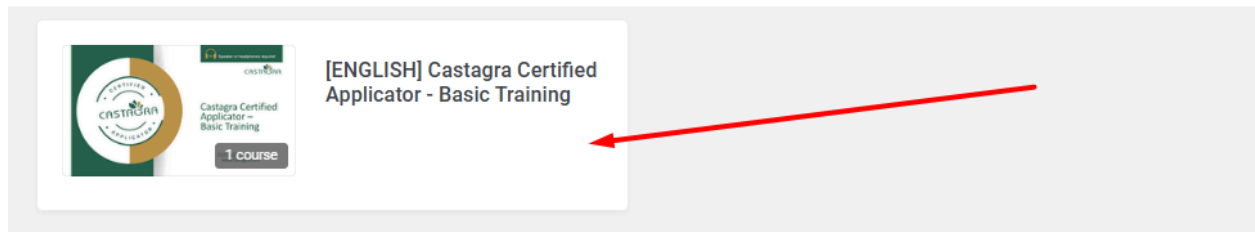

We're happy to inform you that you can now access our on-demand Castagra Certified Applicator—Basic Training.

On <https://www.castagra.com/training/>, click on *Register Now (ENGLISH)* or *REGISTRANTE AHORA (ESPAÑOL)* button based on your training language preference, fill out the fields, and click Sign Up.

Once signed up, click on Castagra Certified Applicator—Basic Training on the Catalog tab, and request access. Your request will be approved if you request access anywhere within business hours. For requests after business hours, please wait until the next business day.

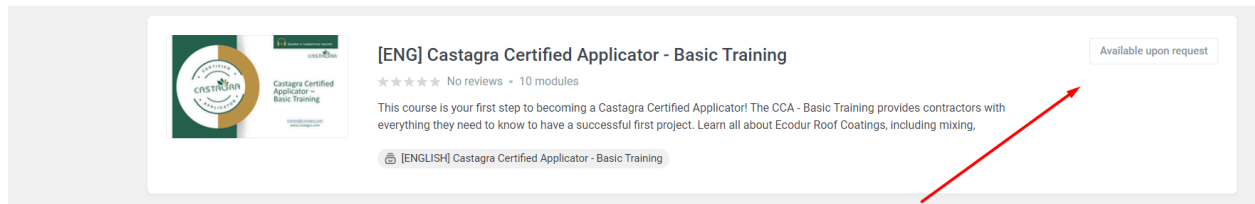

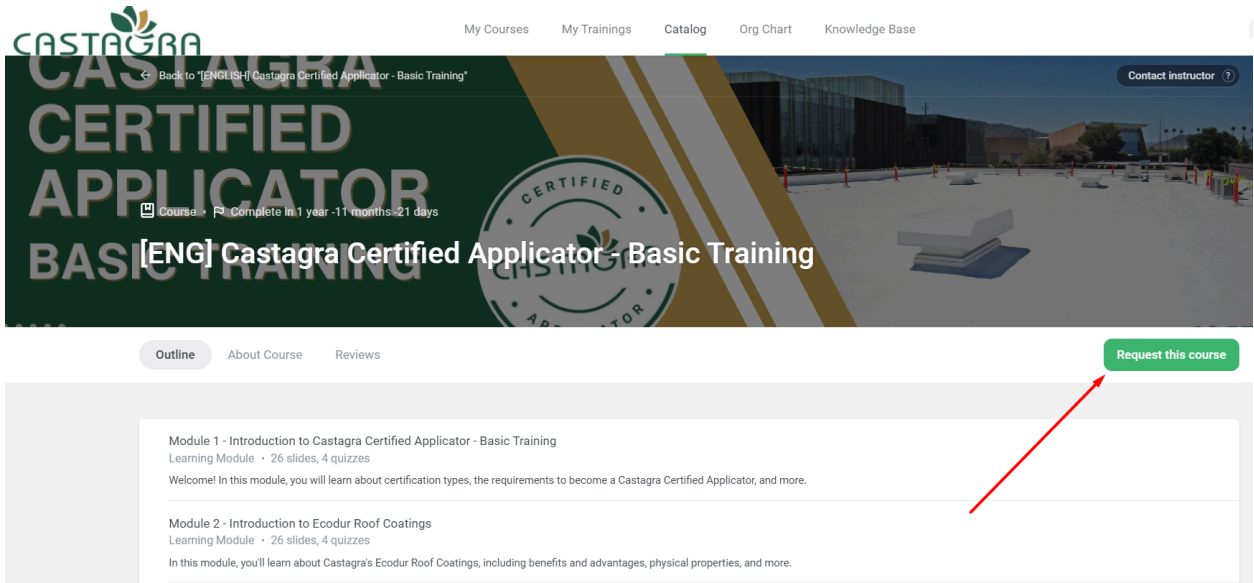

You can select courses from the Catalog and save them to "My Courses."

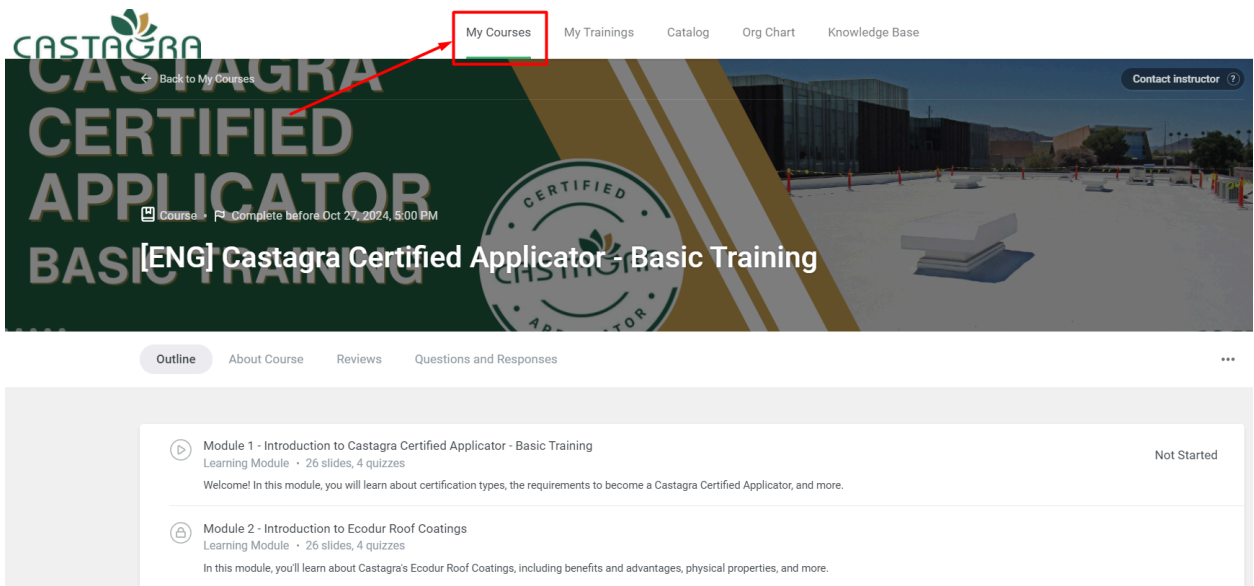

You can select courses from the Catalog and save them to "My Courses."

By Course Name

Once we approve the access, hit refresh on your browser. You will find the training course under the *My Courses* tab.

Please note that:

1. your access to the course will only be available for 10 days from the date you signed up.
2. you need to use a laptop or computer in taking the course and ensure that audio is enabled as there are interactions (clickable items) for you to get more information about topics
3. You can contact us at training@castagra.com if you encounter technical difficulties accessing the sign-up form, the course itself, or other training concerns.

We are continuously improving our course, so please let us know if you have any suggestions or feedback about it. We would love to hear about your overall experience.

Thank you.
