

# CASTAGRA CERTIFICATION TYPES AND REQUIREMENTS

## CASTAGRA CERTIFIED APPLICATOR

To become a Castagra Certified Applicator, you must attend and pass Castagra's Training Program and complete a successful first project.

- Ability to offer Premier Materials warranties
- Castagra job leads in your area
- Access to the **Castagra Certified Applicator Toolkit**
- Marketing support
- Castagra Certified Applicator certificate
- Castagra decals

## CASTAGRA LICENSED COMPANY

A Castagra Licensed Company (CLC) is a business/legal entity whose staff have attended and passed Castagra's Training Program and have demonstrated that they represent the best of the best of roofing and coatings contractors. Licensed, insured, and well trained, these are the companies that building owners can trust to deliver the highest quality results. CLCs receive all the benefits of being a Castagra Certified Applicator.

- Are proven partners that clients can trust
- Employ some of the top Castagra Certified Applicators (*Must employ min. 1 Castagra Certified Applicator*)
- Must complete the Castagra Licensed Company application process and a min. of 5 successful projects
- Are able to offer all levels of warranties (*Including Labor and Material Warranties*)
