Complete your profile by filling out all required fields and information, then click **Save and Continue**.

Wait for the approval to get started. Your request will be approved if you request access anywhere within business hours. For requests after business hours, please wait until the next business day.

Once your registration has been approved, the course will first appear on your **Dashboard**. Please click **Start Course**, and it will then be available under the **My Courses** tab.

IMPORTANT INFO:

1. The Training Program will be available for 10 days, starting on your registration date.
2. You will need a computer and working audio for this course.
3. Reach out to training@castagra.com if you encounter any technical difficulties or have other training questions.

We would love to hear about your overall experience, please let us know if you have any suggestions or feedback!
